

FEDERATION OF GARDEN CLUBS

Life Member Application for Membership

A **Life Member** is a MFGC garden club member interested in helping a worthy Montana student further their college education while having a good time with fellow club members. **Life Members** meet annually at the MFGC convention during a fun-themed luncheon or dinner. All the membership fees are placed in trust to endow an annual \$2000 scholarship to a student majoring in conservation, horticulture, parks or forestry, floriculture, greenhouse management, land management or related subjects. A member of a federated garden club may join **Life Members** by paying a one-time, tax-deductible \$25 donation to the Treasurer of the MFGC.
